

Non FEC

Accelerated Knowledge Transfer 4

Attaching this document to an application for Accelerated Knowledge Transfer 4, certifies that the knowledge base applying for this grant does not use the FEC costing methodology.

If your knowledge base uses the FEC methodology, you must attach a valid FEC certificate (which would usually be submitted for a KTP application).

Submitting the incorrect documents may result in project funding being withdrawn, and any grant received immediately repaid.

Valid to 31/03/2026
